EFSP/FEMA ¹					x						

¹Pooled Grant are managed by the Food Bank of WNY and you do not have to worry about the costs.

*Remember to check the 'Grants Avail' column to see if **yes** or **no** is listed. If **yes**, then there is a grant available to offset the costs of this item. If **no**, then there are no grants available to offset the costs of this item.

*Some grants may only cover products that meet particular nutritional requirements. Always check to see that there is a **yes** in the 'Grants Avail' line of that product to make sure your costs are covered!

*Check your balance as you put items in the shopping cart. This will help you to minimize costs and also identify when allocated grant funds may run out or a product that is not covered by a grant is accidentally placed in your cart!

*If multiple grants are available to offset the costs of product in the same product category, then the grant with a higher priority (based on grant expiration, reporting requirements, etc.) will be used first.
